CopQuest Order No: _____

Law Enforcement Restriction - General Form

In order to ship certain items to individual (non-agency) purchasers, we require authentication of peace officer status with a law enforcement or government agency. The form below can be used to furnish such authentication.

To proceed, print this form with your browser's print feature. Fill out the information and include a photocopy of your employment ID. We request both the front and back of the ID card and it may be attached as a separate document. When complete then Fax it to us at the number below. Once received, the information is subject to verification. Upon completion this form will be securely filed for future purchases of restricted items.

No restricted product will be shipped until this information is received. All submitted information is considered confidential and will not be released in any way.
