## SIGNATURE

A distinctive hybrid leather holster that combines the security of polymer with the comfort of premium leather.

## SIGNATURE RMR

This tactical Optics-Ready model is compatible with most RMR, RDS, red dot sights, and thermal optic mounts.

## MAVADO

Optics Ready as a standard feature. Accommodates thousands of firearms from just a few sizes.

## SHOULDER

Ambidextrous and fully modular, offering the versatility to easily swap holster shells for different firearms or carry styles.

## GUN BELTS

Its durability and timeless style pair perfectly with our Premium Leather Holsters.

## G3

A uniquely designed holster that allows complete concealment in virtually any situation.

## HYPERION

Engineered to fit firearms equipped with lasers, lights, and Red Dot RMRs, no matter how they're mounted.
